Members of the U.S. Armed Forces understand enforcing Article II is a mission-critical Constitutional mandate ensuring sole-allegiance, while non-enforcement is a fundamental threat to national security.

The Declaration of Allegiance is an initiative of the U.S. Allegiance Institute allowing signatories to sign and unite as one allied force supporting full compliance and enforcement of Article II, Section I, Clause 5 of the U.S. Constitution.

The U.S. Allegiance Institute is currently accepting requests from dignitaries to sign the Declaration of Allegiance in the categories of Law and Military.
